Legal Instruments Examiner
Commissioner for Patents
P.O. Box 1450
Alexandria, VA**RE: US Patent Application No. 10790571; RESPONSE TO YOUR NOTICE OF
NON-COMPLIANT AMENDMENT [37 CFR 1.121] MAILED
OCTOBER 23, 2006.**

Dear Ms. Spruell,

In response to your above referenced Notice, please find attached hereto our reformatted Amendments accompanying our Request For Continued Examination originally filed on October 5, 2006. Per your request, and to avoid confusion, we have removed the additional 'clean set' of Amendments and Specification Subsection ("Brief Summary of the Invention"), we had provided, to leave only one set of 'marked-up' claims and Specification Subsection, with claim markings and listings per 37 CFR 1.121, as appropriate. Also, per your comments, each section starts on a separate page. Other than the formatting changes described, no substantive changes have been made. Please call the undersigned counsel, if you have any questions.

Thank you.

Yours truly,

THE MILLER LAW OFFICES, PLC
